

**Direction for use:**

Use one wipe to disinfect the surface. On heavily soiled surfaces, more than one wipe may be required. Allow to dry naturally. Do not use on surfaces sensitive to alcohol. Do not use on patients or intensive medical devices. After use allow the surface to dry naturally before your next procedure. Do not re-use wipes.

**Direction for dispensing:**

- 1) Remove lid by lifting upward.
- 2) Pull towel from center of the roll and thread through lid hole on the underside of lid.
- 3) Close lid. Pull towel from canister at 90° angle.
- 4) Snap hinged cap back into place to ensure towels stay moist.

**Storage:** Keep pack tightly closed when not in use. Store in cool, dry & ventilated place.

**Disposal:** Offer empty containers for recycling. If recycling is not available, discard container in trash. Discard towel in trash after use. Do not flush.

Note: For M.R.P., Batch No., Manufacturing date and Expiry date please see the lid.

**60 rolled
